PROFILE

Lead UI/UX, Product, and Graphics Designer with 6+ years across AI, SaaS, fintech, EdTech, e-commerce, mobile utilities, and public-sector-facing experiences. Experienced with multinational teams and clients across the UAE, Saudi Arabia, Oman, Bahrain, Syria, Germany, the USA, and Canada. Combines product thinking, design systems, accessibility, AI-assisted workflows, design QA, visual storytelling, and project coordination.

EXPERIENCE

Lead Graphics and UI/UX Designer / **ConfidencEway**

Remote · UAE-based multinational | Dec 2025 – Present

- Lead UI/UX, product, and graphics design for AI, cloud-modernization, automation, and digital-transformation initiatives.
- Design F2 enterprise AI platform experiences and translate complex AI/LLM capabilities into clear product, presentation, and marketing communication.
- Contribute to Oqaabi, bilingual Arabic/English Syria AI assistant, across mobile/web UI, visual language, product communication, and launch assets.
- Manage social media, website, presentations, pitch decks, emails, newsletters, brand assets, and design QA across concurrent workstreams.

Lead UI/UX Designer / **Canz Technologies**

Islamabad, Pakistan | Sep 2023 – Dec 2025

- Lead web/mobile design from flows and wireframes through high-fidelity Figma prototypes, design systems, developer handoff, and implementation review.
- Designed AI-enabled Islamic and plant-recognition workflows using mobile-first and accessibility-conscious patterns.

Product Manager and Creative Lead / **ThinkMENA LLC**

USA (Remote) | Sep 2022 – Sep 2023

- Led product, UI/UX, creative, stakeholder, and delivery work across fintech, gaming, and startup/digital-transformation engagements.
- Designed ZakiPay and NXGN Arena experiences; contributed to 20% retention improvement, 35% engagement growth, and 15K+ downloads.

Senior UI/UX Designer / **Extendztech LLC**

Peshawar, Pakistan | Jun 2022 – Sep 2022

- Created SaaS dashboards, visual systems, typography-led guides, and developer-ready UI; contributed to 30% client-acquisition growth.

Freelance UI/UX and Graphics Designer / **Fiverr**

Remote | 2019 – 2022

- Delivered 50+ interfaces and visual assets across e-commerce, AI, crypto, EdTech, and mobile utilities.

SELECTED MULTINATIONAL WORK

F2 + Oqaabi — Enterprise AI platform and bilingual Arabic/English Syria AI assistant.

Public-sector-facing work — Omantel-related, Saudi Space Agency-related, Bahrain municipal services, and UAE/Saudi/Oman/Syria initiatives.

CUSTIQ / Caustiq + Milo — German CRM platform, website, and chatbot/mobile experience.

Vouch + Tafawwaq — Matrimonial mobile app and Dubai tutor marketplace.

ZakiPay + NXGN Arena — Family-finance fintech and gaming/loyalty experiences.

ProjectKix + Plantiverse — Social-impact donation platform and AI plant-care mobile app.

Quran + Utilities — Islamic content, offline reading, data-transfer, app-lock, and mobile utility products.

Additional portfolio — Wizarding Palace, Talentz, Memo, Carluex, Evelingo, GHIZA, presentations, social ads, logos, and brand systems.
